CONDITIONS OF SUPPLY

Billing Unit

- The water (Undertakers) Rules, and Water (General)Regulations(Sub.Leg.L.N.78/1962) as from time to time amended shall be demmed to be incorporated and to form part of these conditions of supply.
- 2 Application for the execution of works will as a rule, be dealt with in the order of priority or date, but the water undertaker reserves the right of executing the work in the manner and at the time best to his convenience
- 3 All charges shall be payable on demand.
- 4 If any account is overdue the water supply shall be cut off under provisions of the water (undertakers) Rules (Cap. 372 Sub Leg.), and proceedings taken to recover the charges due.
- Any changes in the charges and water tariffs shall be notified in the Gazette, and in addition details thereof shall be sent to each consumer with the monthly account preceding such charge
- The water undertaker shall have the right forthwith and without notice to terminate the agreement for any breach by consumer to the condition of supply, but without prejudice to any antecedent right against the consumer including the right to take proceedings
- No consumer shall use, or permit to be used, any water supplied in pursuance of an application made by him under regulation 3 of the Regulations except for such use as specified by him in his application
 - b No consumer shall convey, or permit to be conveyed by any means whatsoever, for use outside his plot, or for sale, any water supplied to him by water undertaker
- In accordance with Regulation 12 of the Regulations, the consumer shall deposit Kshs, which shall be retained by water undertaker for the period which during which the consumer is supplied with water, or maintains a connection. The amount will be refunded to the consumer upon termination of the agreement and production of the original deposit receipt
- 9 The consumer shall meet all charges in respect of water supplied in pursuance of this application and consumer's pursuant to a written request made hy him.
- The consumer's responsibility begins immediately after the water meter towards his house or plot irrespective of the length of the pipeline financed by him
- It is the responsibility of the consumer to give access to the meter and premises to the water undertaker or his authorised agent who shall reserve the right to disconnect in the event of no such access being granted
- 12 The consumer is suppose to state/disclose any other connection he has ever held with the undertaker
